# Sprint 3 Plan

**Goal:** Add the ability to create groups and join groups as a user

## User Story 1 - (13)

As a user I want to create a group so that I can meet other people.

- (Task 1) Create AddGroup page (front end) 4
- (Task 2) Create ability to make a group 5
- (Task 3) Have the group created show on the users profile 2
- (Task 4) Give the users group visibility to all other people in the class 2

## User Story 2 - (3)

As a user I want to join a group so that I can meet other people.

- (Task 6) Create a page that has a list of groups for a class 4
- (Task 7) Create a group page that shows all groups 3
- (Task 8) Add user to a group 2

## User Story 3 - (3)

As a user I want to see my homepage and have it be a list of my classes

- (Task 9) create a home page with list of enrolled classes 6
