Sprint 4 Plan

Goal: Add the ability to communicate between users

User Story 1 - (13)

As a user, I want to have a means of communication so that I can communicate.
- (Task 1) Create a page where we can message other people. (Front End). 5
- (Task 2) Add backend capability to chat page. 6

User Story 2 - (5)

As a user, I want to input my schedule so that other people can see when I am available.
- (Task 3) Create a page to see and update schedule. 3
- (Task 4) Give users easy to create schedules. 4
- (Task 5) Put the schedules on the profile page. 2
- (Task 6) Give visibility to schedules to let other users see it. 4

User Story 3 - (3)

As a user, I want to upload/share information and files so that I can share documents.
- (Task 7) Create a page to upload information (Front End). 3
- (Task 8) Let the user be able to share the information with their groups. 6
