Sprint 2 Plan

Goal: Implement basic user profile page and allow user to find and join classes

User Story 1 - (8)

As a user I want to find my classes so that I can find people in my class.
(Task 1) List of classes (data from database) 8
(Task 2) Add a new class (update database) 3
(Task 3) Join a class 2

User Story 2 - (3)

As a user I want to create my own profile so that other people know who I am.
(Task 4) Profile page (draw data from database) 4
(Task 5) Being able to edit profile page (change data in database) 4
